## Presidents Message

Nothing makes me happier than seeing our youth enjoying the new playground that our community gave them. Houghs Neck has a lot to be proud of, we've got some really incredible people that do so much good. When I decided to sit down and put pen to paper to write down all of the people and businesses that came together to make the build day such a success I was amazed at how many people were involved in so many aspects of the project. Be sure to check out the article inside to see the honor roll of names of who was instrumental in making the project a success. It is not too late to be a part of this project, we are still in need of donations to complete the fundraising. We are just about \$2,000 away from our goal, if you get a chance please make a tax deductible donation to this worthy project. You can mail it to us at 1193 Sea Street or donate on-line at [www.houghsneck.org](http://www.houghsneck.org). Thanks to everyone that braved the elements the night of the Good Neighbor Banquet. It was a great night of fun, fellowship and plenty of jokes from John Iredale and Rep. Steve Tobin. Congratulations to John Iredale, Pat Bennett and Kim Fallon on their awards they were well deserved. Our combined event of the Harvest Fest and Grand Opening of the playground was a resounding success, there were nearly 250 people in attendance, the weather was in the 70's and the sun was shining. We were able to provide all of the food, games, activities and crafts for free because our Chowda Fest was so well attended this year, thank you! *Brian Laroche*
